

WAYNE G. MORRILL, JR.
VICE PRESIDENT/PROJECT MANAGER

Mr. Morrill attended the New Hampshire Technical Institute in Stratham and received his Associates Degree in Electro-Mechanical Drafting in 1988. He is proficient in the use of computer programs such as AutoCAD and Land Desktop Development 2004. He is a NH Licensed Septic System Designer, Evaluator and Installer.

In 1988, Mr. Morrill joined Jones & Beach Engineers, Inc., as a CAD Technician and Project Supervisor. His responsibilities included, but were not limited to, project management, cost analysis, site inspection, design of subdivisions and commercial development plans, survey note reduction, point transfers and construction layout. In 2001, he became an owner of the firm and was named a Vice President.

Mr. Morrill is extremely competent in all areas of project management and development. He is bright, dependable and thorough, paying close attention to detail. He has excellent rapport with clients, working closely with them, and quickly gaining their trust. He acts as a representative for clients at Planning Board Meetings, Zoning Board Hearings and during project negotiations.
